^{*} El % se obtiene en relación de la población total de cada centro de internamiento.

^{**} Estos centros no reportan población debido a que los internos no permanecen más de 72 horas en ellos, ya que son trasladados a centros más grandes dentro de la misma entidad.

^{***} En el estado de Sonora la Cárcel Municipal de Alamos se reporta en remodelación, por lo cual no registra población.

**** En el estado de Morelos, la Cárcel Distrital Yautepec con una capacidad para 16 reos deja de funcionar, debido a que las autoridades penitenciarias del estado informaron que al no registrarse movimientos en su población, esta representaba un costo innecesario en el mantenimiento de esta cárcel, trasladando a sus internos a los diferentes centros de la entidad.
