Nota: Valores negativos equivalen a lugares disponibles en el Sistema Nacional Penitenciario.

* El % se obtiene en relación de la población total de cada centro de internamiento.

- *** En el estado de Sonora la Cárcel Municipal de Alamos se reporta en remodelación, por lo cual no registra población. ** Estos centros no reportan población debido a que los internos no permanecen más de 72 horas en ellos, ya que son trasladados a centros más grandes dentro de la misma entidad.
- **** En el Estado de Baja California, se cierra de manera definitiva la operación y funcionamiento de la Cárcel Estatal de Tijuana, debido a que no cuenta con las condiciones mínimas necesarias para su debido funcionamiento como Centro de Readaptación Social.
